

Instrument Cart

CT100 — Instrument cart for SRS products

CT100 SRS Instrument Cart

- **For all SRS instruments**
- **Sturdy, rugged platform**
- **60 lbs. capacity**
- **Tiltable, locking tray**

The SRS instrument cart will allow any instrument to be truly portable. This sturdy, rugged cart is perfect for manufacturing and research environments. The CT100 is designed with a cast aluminum base for greater capacity, and an aircraft-grade aluminum column and tray.
